**Re: Juan Carlos Amor Garcia and Ocean Creek International, LLC v. Ernesto Colman Mena et al. (11-civ-3859) (RMB)(MHD)**

Dear Judge Berman:

We are counsel for defendants in the above captioned matter. The parties are currently scheduled to participate in a court-supervised settlement conference on December 8, 2011. A majority of the defendants, however, are Spanish citizens and there are two national holidays that week for which those defendants have longstanding holiday plans. Therefore, we respectfully request that the Court adjourn the settlement conference to a day on the following week (Dec. 12-16) or as soon thereafter as is convenient to the Court.

We have conferred with counsel for the plaintiffs, who do not object to this request for adjournment provided the new date does not present a scheduling conflict for them. Plaintiffs advised us that they would prefer the conference still occur in December.

Sincerely,

John Dellaportas  
John Dellaportas
